

FREE REGISTRATION AND DINNER

The Fourth Annual
**Parent and Student
Math Advisory Night**

Students in grades 8-12 are invited to participate and parents are welcome and encouraged to attend.

The purpose of the evening is to advise students on high school math classes. These choices are critical for vocational occupations, college readiness and competitiveness in the work place as well as mathematical proficiency.

Math faculty from high schools and 2 year colleges will be present.

To understand the expectations colleges have for entering students, participants may take the college math placement assessment, COMPASS, for FREE!
