Cascade Middle School is a School-Wide Title I school. This means that all students at Cascade are Title I students!

Title I is a federally funded program developed to help schools raise the literacy and math levels of students. Teachers, parents and especially our students, benefit from this unique status. As a School-Wide Title I school, Cascade is able to offer high quality instruction to ALL children. It is exciting to see Cascade's Reading and Math scores improve each year as a result of the efforts of our staff, parents, and students.

In Cascade's School-Wide Model you will see:

- A common focus on raising the literacy and mathematic achievement at Cascade
- Classroom Teachers planning and working together with the Intervention and Support Team to provide individualized instruction for our highest need students
- Para Educators working with the Certificated teachers to increase instructional time for ALL students
- Cascade Staff using continuous reading and math assessments to determine which instructional model is best for each child

Cascade is very proud of our highly qualified teachers and staff. Parents may request proof of teacher/staff qualifications by contacting our building principal, Mr. Johnson at 931-4995.

Please contact our school for more information about our Title I School-Wide Program.
