

Terminal Park Elementary

1101 D St SE

Auburn, WA 98002

THE EXPRESS

Terminal Park families,

It's hard to believe we're moving into the last month of the school year! We will be working hard to make the best use of this important learning time. The following information is intended to help you be more aware of what is happening at our school and better able to partner with us.

School Picnic

Visitors are invited to our school picnic to eat lunch outside with students. The picnic is on Friday, June 10th during our normal lunchtimes:

11:40-12:10 Grades K and 1

12:10-12:40 Grades 2 and 3

12:40-1:10 Grades 4 and 5 (includes

Mrs. Davis and Mrs. Grant)

The lunch will include a hamburger, baked beans, salad, watermelon, milk, and a treat. Guests may purchase lunch for \$3.75. (The price for our students is \$2.75, as usual.) We hope you can join us!

PTA

We are still looking for PTA officers for the 2016-2017 school year. If you're interested, please attend the PTA general membership meeting on Tuesday, June 14th at 4:00 p.m. in the terminal park library or email: terminalpark-pta@gmail.com

Lost and Found

Any items that are left in the lost and found at the end of the school year will be donated. Please remind your child to look in the lost and found if he or she is missing anything. Parents are welcome and encouraged to stop by the school and look in the lost and found to see if you can find anything that your child has lost.

Kindergarten Registration

If you have a child who will be in kindergarten next year, we encourage you to register as soon as possible. If you register at our school and then move, you can change your registration to your

new school. Please communicate this information to anyone else you know that will have a kindergarten next year.

Class Placements

As the school year ends, you will likely be wondering about who your child's teacher will be next year. We will finalize class placements in August after most of the summer moving takes place to ensure that classes are balanced. An exact date for posting class lists, which is usually the Friday afternoon before Labor Day, will be communicated to you in a welcome back letter in August.

State Standardized Testing

Aside from some make-ups, we have completed state testing. We appreciate your support throughout this process. The change to online testing should eventually allow for student scores to be communicated to parents more promptly than in the past; however, since we are transitioning to a new system, the exact date of when scores will be available to parents is unknown at this point.

Summer

We encourage you to be thoughtful about learning opportunities for your child over the summer. Daily reading is especially important. Activities that use numbers and math skills as well as experiences that help develop new vocabulary are a couple ideas among many other helpful options. You are encouraged to visit the local public library to ask about opportunities they provide for children.

Here's to a strong finish to the school year and a safe, fun summer break! We appreciate all you have done to make the 2015-2016 school year a success for your child and our school.

Sincerely,

Tom Dudley, Principal
