1. Approval of Minutes

Recommendation: That the minutes be approved.

The board will discuss how they would like to handle the March 27 and April 10 board meetings as we will not have a quorum at either meeting due to the fact that the NSBA conference will be held March 25-27 and spring break is the week of April 10. A possible special board meeting date could be Monday, April 3, as this would be midway between the March 27 and April 10 meetings.

3. Discussion
