

MT. BAKER MIDDLE SCHOOL

PERFORMANCE REPORT 2015-16

PLANS FOR 2015-16

We are in the final year of our three year School Improvement Plan and have seen great gains in the academic success of our students. They outperformed the overall state percentage in most areas! We are proud of our student's success and will continue to work hard to implement our plan and programs and keep their learning at the highest level.

This year we are rolling out nearly 600 Chromebooks (mini laptops) as the first steps in reaching our goal of a one-to-one technology integration within our building.

HIGHLIGHTS OF OUR SCHOOL

The Mt. Baker staff feels that a quality school gives recognition to students' successes and communicates actively with parents. The staff has worked hard to build programs that achieve both of these goals.

Student Recognition:

"PRIDE" Recognition Assemblies:

Students are selected quarterly by their teachers to receive awards for outstanding citizenship, academic progress and achievement.
