

# AUBURN RIVERSIDE HIGH SCHOOL

## PERFORMANCE REPORT 2016-17

### PLANS FOR 2016-17

Auburn Riverside is committed to its mission statement: ARHS—where personalized learning reaches every R.A.V.E.N.! Helping fulfill this mission, Auburn Riverside will have equipped the majority of its classrooms with Chromebooks in order for every student and teacher to best utilize technology for learning.

As well, Riverside will embark on a mission to get Chromebooks and WiFi hot spots into the homes of students and families who are currently without these vital academic and engagement tools. Auburn Riverside continues to provide after school tutoring by certificated staff in every core content area. As well, Auburn Riverside's unique FLIGHT Academy provides support to 9th and 10th grade students to help ensure their academic success during the pivotal transition years.

### HIGHLIGHTS OF OUR SCHOOL

Auburn Riverside highlights center around kids and our devoted staff. From the minute students enroll with Auburn Riverside, wheels are in motion to help them find academic and emotional success. Our Raven Crew program enlists over 200 upperclassmen leaders to welcome and forge relationships with incoming freshmen in hopes of easing their transition to high school. The forging of relationships and creating a culture of compassion continues with our bi-annual Breaking Down the Walls event. Our entire student body is engaged in an all school assembly and then over 600 students and staff members partake in three day long events of sharing, learning and growing together as RAVENS. A culture of compassion, understanding and acceptance is noticeable at Auburn Riverside. We like to call it Raven Pride Over Everything...#RPOE.

Academically, a full range of Advanced Placement, advanced level performing arts and world languages and advanced CTE courses, are offered to reach out and meet every student's learning needs. Students are able to develop and pursue a personalized education by selecting courses from a greatly diversified course catalog.

Auburn Riverside works to keep a balance between academics, athletics and activities. Over 40 clubs and a full array of freshmen, JV and Varsity athletic programs await students. Many of these programs compete regularly in regional, state and national competitions each year.

### COMMUNITY ENGAGEMENT

Auburn Riverside continuously invites and shares with its community. A full time, bilingual Family Engagement Liaison works with all families to help them connect with teachers and the school community. Our Career Center also hosts career and college planning nights, along with supporting our Future Freshmen and a variety of other parent information nights. ARHS staff participate in community outreach each August and September. Teachers and counselors reach out to families by knocking on their doors, in their own neighborhoods. This welcoming and information sharing opportunity has been met with tremendous appreciation from our families.

### TITLE PROGRAM

Auburn Riverside is a Schoolwide Title I school. This means all students at Auburn Riverside are Title I students! Title I is a federally funded program developed to help schools raise the literacy and math levels of students. Teachers, parents and especially our students benefit from this unique status. As a Schoolwide Title I school, Auburn Riverside is able to offer high quality instruction to ALL children. Auburn Riverside students may receive extra support in reading, English language arts, science and math. We are working to improve student learning each year through partnership efforts between our staff, parents and students.

### SCHOOL MISSION STATEMENT

The Auburn Riverside community provides students with opportunities to graduate with relevant knowledge as respectful, responsible world citizens who actively question, learn, and participate with a positive sense of purpose throughout life.
