

CHINOOK ELEMENTARY SCHOOL

PERFORMANCE REPORT 2016-17

PLANS FOR 2016-17

Chinook Elementary has completed the SIP plan for 2015 through 2018. Academic achievement for all students will continue to be the priority at Chinook. The following systems are in place to ensure continued student growth. Intense, rigorous instruction with common teaching practices; coupled with a building-wide system focused on positive behavior strategies (PBIS), student accountability and teacher collaboration are Chinook's strengths. Along with all students reading at or above grade level and being able to problem solve using mathematical concepts, we also want students to learn the importance of stamina and perseverance. We are also preparing our students to be successful on state tests by increased technology instruction at all grade levels. We know what is working for our students and our efforts will help our children be successful at this new level of learning.

HIGHLIGHTS OF OUR SCHOOL

- 2014 **School of Distinction** for outstanding progress in reading and math over the last 5 years.
- 2015 **Washington Achievement Award** for high student progress in 3 years.
- 2015 **King County Grant Award** for playground 2.
- 2015 **Title I State Award** recognized for closing the achievement gap in reading.
- 2015 **Pathways to Excellence Award** for closing the opportunity gap.

We recently adopted Second Step as our Social Emotional Learning and Anti-Bullying curriculum. This research-based curriculum teaches students skills in recognizing and managing emotions, having empathy, controlling impulses, communicating clearly, cooperation, responsibility and problem solving. The bullying component teaches students the three Rs, to Recognize bullying (intent is to harm, repeated behavior over time and an imbalance of power), to Report bullying and to Refuse to participate in bullying. We are looking forward to seeing the positive impact this will have.

COMMUNITY ENGAGEMENT

Chinook is an award-winning Green School and has a courtyard filled with planters and a vegetable garden on site.

Chinook has successful and supportive relationships with the following community partners:

- Muckleshoot Indian Tribe
- Cowlitz Tribe
- Northwest Family Church
- King County Library
- Green River Community College
- Kiwanis

LAP PROGRAM

Chinook is a Learning Assistance Program (LAP) school. LAP programs serve eligible students who need academic support for reading, writing and math, or who need readiness skills to learn these core subjects. With special emphasis on reading literacy in grades K-4, schools use their state LAP funds to deliver supplemental services that give these students the strong start they need for academic success.

SCHOOL MISSION STATEMENT

Chinook students, families and staff ensure all students will learn and grow in a safe and positive environment.
