## PERFORMANCE REPORT 2016-17

### PLANS FOR 2016-17

Pioneer Elementary is a wonderful place to learn. It is a school with a diverse economic and ethnic student population where staff is dedicated to customizing schedules, staffing, instruction and budget to meet the academic, social and emotional needs of all students. There are systems in place at Pioneer that put reading and math first every day. Time at Pioneer is efficiently scheduled bell-to-bell in order to use every minute that we have with our students to increase their knowledge and help them reach their greatest potential. Our dedication to student success is seen everywhere in the building, even in the artwork. When you come to visit Pioneer you will see beautiful murals on the walls, on the doors, in the halls and even on the courtyard floor inviting students to believe in themselves and let their imaginations soar.

Our students come to school confident that they will be well cared for and encouraged to do their best.

At Pioneer all of our teachers, parents and students work together to give our children every chance to succeed as they learn, grow and become our society's future problem solvers.
