For grades four, five, and Full day Kindergarten, your classes will go out to recess and then begin the lunch time when recess is over. Your times are below as well, but I thought I would suggest that you think of how this will impact instruction, what your expectations for finishing lunch will be and how you can capture this time as an extension or prelude to instruction.

Times to arrive at the lunch line: **(for the 1st two weeks of school please adjust these times 10-minutes earlier and be patient. If kids get out to recess late, playground coverage will be there for 15 min extra, or until 1:00 if necessary. Please call and let the office know if that is the case.)**
