

## Vocabulary/High-Frequency Words: Grade 2

High-frequency words are introduced in each theme with a literature selection. These words are research-based and are often found on the Dolch, Fry, or Harris-Jacobson Word Lists. These words are tested in *Trophies*. *High-Frequency Word Cards* are recommended to be used as a teaching tool during the lessons. High-frequency word lessons appear on the 5-day planners and are easy to identify in the Word Work part of the lesson plan.

Vocabulary words begin to appear in the 1-4 book at Grade 1 and continue through Grade 6. Vocabulary lessons appear in the *Pupil Edition* and present the vocabulary for the selection in context. To answer the need for additional vocabulary instruction, vocabulary activities are added in the *Pupil Edition* beginning in Grade 2. Every selection, beginning with the 1-4 book, begins with a list of vocabulary words. The list of words is taught in the Word Work part of the lesson plan.

Each word is defined at point-of-use in the *Teacher's Edition*, and a teaching transparency is provided for the teacher to introduce students to these words in context. A vocabulary-writing connection also includes an opportunity for students to develop more knowledge of vocabulary in *Trophies*.

### Book 2-1
