Points to Ponder ~

- WANT Ads Sections –
 - New Microwaves for Staff Room – 2 needed
 - Old Suitcase – for Emergency Supplies – no taller than 26 inches
 - Old/Used Fanny Packs or waist purses for Recess Supervisors to carry tissues, hall passes and band-aids.
 - Band-aids for Health Room
- CAR LOOP –
 - Please do not drop off student at the end of POD 2 – the driveway is too narrow and cars get backed up onto the street.
 - Patience is KEY!
 - Want the parking lot to empty faster? – TURN Right! If you live to the left, go around the big block of Hazelwood and Rainier or just go all the way around the Round-about and come back in front of Hazelwood!
