

EMERGENCY KITS

(Deadline is Friday, October 16th)

Lakeland Hills requests that each student have an emergency kit in the event of an emergency. Once again, the Student Council at Lakeland Hills will be taking on the task of creating emergency kits that may be purchased through the school. The small profit that is realized by the sale of the emergency kits will help fund student council choices at Lakeland Hills Elementary.

It's true that there are many places to buy an emergency kit for your child, but ours also benefits the kids at our school. Each kit will consist of the following items (or something comparable):

- ✓ 2 cans of juice
- ✓ 2 fruit snacks
- ✓ 1 fruit cup and spoon
- ✓ 1 chewy granola bar
- ✓ 1 cheese and crackers
- ✓ hard candy
- ✓ 1 large garbage bag for rain protection

The cost of each kit is \$7.00. Please make checks payable to Lakeland Hills Elementary. The last day for ordering will be October 16th. When the kits have been assembled and delivered to the classrooms, you will be notified so you may send comfort items such as notes and pictures to be included in the kit. Remember, you only have until **October 16th**. If you have any questions, contact Mr. Prain @ gprain@auburn.wednet.edu.
