

Parental Permission Slip

Dear Parents:

Field trips are a useful and vital extension of the classroom program. Field trips enable students to relate school learning activities to the community.

Some West Auburn classes leave the school building on foot or by bus as a part of classroom activities. A signed permission slip is required for all participating students. Parental approval does not release the school district of its responsibility to protect the pupil against possible hazards.

Please sign the lower portion of this form, indicating whether permission has been granted, and return it to the school.

Thank you.

I hereby grant permission for _____ (print student's full name)
