

Auburn Riverside High School

2020-21

Parent and Family Engagement Policy

"Where personalized learning
reaches every R.A.V.E.N."

Our Mission: In a safe environment, all students will achieve high standards of learning
Mission: In a safe environment, Auburn Riverside High School and the Title I program recognize that students have successful educational experiences when families and school staff work together to assist and support the student in their academic endeavors. The following are ways that ARHS and Title I work in partnership with the parents to promote the educational success of students.

Please Check Your Email Weekly for the

**AUBURN RIVERSIDE
WEEKLY UPDATE** 

information goes out weekly to assist all parents in helping their student succeed.

MISSION STATEMENT

Our Mission and Vision:

Reaching every
R.A.V.E.N.

Communication/School Climate:

Communication is a key element in the building of the parent/school partnership. A LAP Compact is sent home each fall with all LAP students. At this time, parents are asked to commit to ways they will be able to help their children at home. Throughout the course of the year newsletters, emails, phone calls, availability at Open House and at Parent Conferences are provided to ensure school/parent communication.

Parent Education: Parenting requires continuing support to assist with a student's educational needs. Open House and Parent Conferences are offered each fall. Also parents can contact staff to request a parent conference. Staff can also be contacted by email or phone. These opportunities offer parents and staff time to discuss how parents can support their children at home. Monthly High School LAP Parent Newsletters and Calendars contain suggestions for assisting children in a variety of ways. These are available on the school website and are posted during the first week each month.

Involvement in School:

Parent involvement is encouraged. Family Access is available online 24 hours a day to check grades and attendance. Classroom visitations require prearrangement with the student's assistant principal, counselor, and teacher. Volunteer opportunities are available in some of our programs. Contact the school for additional information.

Learning at Home: The LAP program encourages students to practice their skills at home with the support of their parents. Teachers give students assignments that support the curriculum.

Parent Input: Parents will have an opportunity to indicate student and family programs that they feel would be helpful for their child's school success. At the beginning and the end of the school year, parents are surveyed to evaluate LAP support to assist the school in planning for the next school year.

Schoolwide SIP Literacy Goal: All students at Auburn Riverside High School benefit from our school-wide SIP literacy goal.

Focused LAP Tier 1 and Tier 3 Programs:

We support selected 9th grade students in our Tier 1 Transition/Intervention Flight 9 academy. Students benefit from smaller class sizes and content specific teacher support. Our Tier 3 SOAR program supports courses for students qualified as credit deficient.

Extended Learning Opportunities:

All extended learning opportunities are dependent on need and LAP funding. Recent programs have included Tutoring, Credit Recovery programs, and a summer school program offered the first three weeks after the school year ends. You will receive information as funds are made available.

Please email or call if you have any questions. 253-804-5154
