

HOW TO ACCESS KANOPY

FROM KCLS/STUDENTS

ADAPTED FROM AMHS PRESENTATION

KCLS/STUDENTS

1. Go to [KCLS.ORG/Students](https://www.kcls.org/students)
2. Select "Middle and High School Students"

The screenshot shows the KCLS website with a navigation bar at the top containing 'Hours & Locations', 'Help', and 'Log In / My KCLS'. Below the navigation bar is the KCLS logo and a search bar with 'Search the Catalog by Keyword' and an 'Advanced Search' link. A blue banner at the top of the main content area reads: 'Oakland Library will be closed Monday, December 17 through Wednesday, December 19 for replacement of the HVAC system. Browse a list of nearby libraries to visit during the closure.'

The main content area is divided into three columns. The left column is a dark grey sidebar with the heading 'Students' and a list of links: 'Student Accounts', 'Middle and High School Students', 'Elementary School Students', 'Teacher Resources', and 'Parental Responsibility Policy'. The middle column is titled 'Student Accounts' and contains the following text: 'Welcome to your King County Library System (KCLS) student account! Your KCLS account now provides you with instant access to all of the online resources that KCLS offers. Here are some things you need to know about your KCLS student account: • Your student number is your School District's three-digit number followed by your student ID (with no dash or spaces). • Your account may have fines or fees on your student library account. To use your account to download an eBook or get homework help!'. Below this text are links for 'Elementary School Students', 'Middle and High School Students', and 'Frequently asked questions for parents and students'. At the bottom of the middle column, it says 'Questions? Contact schoolcards@kcls.org.' The right column is titled 'Student Account FAQs' and contains three questions with expandable answers: 'Why am I getting a message that says "Your user id or pin is incorrect"?', 'Can school district staff get an account?', 'How do new students get an account?', 'How are student accounts created?', and 'Will student accounts work during the summer while school is not in session?'. A 'View More >' link is at the bottom of the right column.
