

Technology Agreement Form

Student Name: _____

Student ID: _____

School: _____

Grade: _____

ELEMENTARY

Auburn School District (ASD) provides Chromebooks for elementary students to use at school. Classroom teachers will review classroom and school rules for technology use. In addition, I acknowledge I have read and reviewed with my student the [Acceptable Use Procedures for Electronic Resources](#). I understand that my student's failure to honor the responsibilities outlined may result in discipline and/or restricted access to technology, the Internet, and other electronic media.

SECONDARY & AUBURN ONLINE

Auburn School District provides a Chromebook for each secondary and Auburn Online student to use at school and at home. The [One-to-One Responsibilities Manual](#) explains our purpose and outlines expectations for students and families. The Manual describes the Chromebook maintenance fee and coverage for damage or theft.

One-to-one Acknowledgement

I acknowledge I have read and reviewed with my student the [One-to-One Responsibilities Manual](#). I assume responsibility for the care and proper use of ASD technology assigned to my student. I understand that failure to honor the responsibilities outlined may result in access to technology, the Internet, and other electronic media being denied in the future. Any student misuse of district resources will be subject to disciplinary action outlined in the ASD Student Rights, Responsibilities, and Regulations.

ALL STUDENTS - DATA SECURITY

The use of district-provided technology requires students to abide by all ASD policies and procedures related to the [Acceptable Use Procedures for Electronic Resources](#), local, state, and federal laws. We are confident students will use district technology and network resources responsibly and keep their district-issued devices safe, secure, and in good working order.

The effective use of the Chromebook depends upon the use of additional Google services and other educational software tools deemed appropriate by the district. A list of current ASD approved educational tools and services can be found on our [Data Security website](#) for parents. I provide permission for my student to access these tools and services.

TECHNOLOGY SURVEY

Do you have internet access at home?

- ☐ No
☐ Yes

Describe your fastest internet access at home:

- ☐ Cell phone only
☐ Dial-up (must connect via phone dial)
☐ Hotspot device
☐ None
☐ WiFi (wireless)
☐ Wired connectivity

Do you have good internet performance?

- ☐ No - Poor or Unreliable
☐ Yes - Consistently Good

What device does your student use to access the internet to complete their schoolwork?

- ☐ Chromebook
☐ Desktop or Laptop
☐ None
☐ Other/Not Listed
☐ Tablet

Does your student have consistent access to a device to complete their schoolwork?

- ☐ No - Inconsistent or no Access
☐ Yes - Consistent Access
