HIGH SCHOOL GRADUATION REQUIREMENTS

“BOX PAGE” INSTRUCTIONS

Why are these two pages important?

They will help you figure out what courses you need to take to graduate.

MATERIALS: To begin, you will need . . . A pencil or a pen “The Box Page” for your graduating class and Your current transcript (grades and classes from 9th grade on)

IMPORTANT: Remember . . .

1. Each box represents **one** semester (2 boxes = 1 full year of class).
2. Write in a course code/course title in a box. Don’t use an “X.”
3. **Do not** add boxes to a category.
4. **Cross out each class on your transcript after you’ve used it on the box page.**

You are ready to begin!

STEP 1: Washington State History Requirement

If you went to middle school in the Auburn School District, you took Washington State History in 7th or 8th grade. If you passed Washington State History in middle school, you have met the requirement. If you attended middle school elsewhere and passed Washington State History, you will need to provide proof of completion to the school’s registrar.

STEP 2: Cross out classes that don’t count

Look over your transcript. Cross out any classes marked with an “F” (failed) or a “NC” (no credit). You may not use these on the Box Page.

STEP 3: English/Language Arts

List all of your Language Arts classes in the boxes marked “Language Arts.”

STEP 4: Social Studies

List all of your Social Studies classes in the boxes marked “Social Studies.” These classes include

Contemporary World History	U.S. History	Civics	Elective
<ul style="list-style-type: none"> • World Studies • Global Issues • A.P. European History • World Geography • A.P. Human Geography • A.P. Comparative Government • Sociology • Economics 	<ul style="list-style-type: none"> • A.P. U.S. History • U.S. History 	<ul style="list-style-type: none"> • A.P. U.S. Politics & Government • Civics 	<ul style="list-style-type: none"> • Psychology 1 / 2 • A.P. Psychology • Sociology • Economics • Washington State History (if taken in high school) • Multicultural Studies

STEP 5: Math

List all of your math courses in the boxes marked “Math.” These classes include but may not be limited to:

- | | |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <ul style="list-style-type: none"> • Algebra 1 / 2* • Geometry 1 / 2* • Advanced Algebra & Trigonometry 3 / 4** • Computer Science or AP Computer Science | <ul style="list-style-type: none"> • Beyond Advanced Algebra and Trigonometry • Pre-Calculus • A.P. Calculus • A.P. Statistics |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

**Required math courses for math graduation credit.*

***Alternatives courses may be available for third math credit requirement.*

STEP 6: Science Lab / Science

List your Lab Science courses in the first four boxes marked “Science Lab.” This includes

- Biology 1 / 2
- AP Biology
- Chemistry 1 / 2
- Physics 1 / 2
- AP Physics
- Environmental Biology
- Astronomy
- Marine Biology
- Human Anatomy & Physiology
- Next Generation Course 1 / 2
- AP Environmental Science
- AP Chemistry/Advanced Chemistry

For the next two boxes labeled “Science (Lab/Non-lab), you may use any of the science courses listed above *or* any of the courses listed in the “Additional Courses” section on the Science Table of Contents. *You will address cross credits in step 10.*

STEP 7: P.E. / Health

1. First, fill in the box labeled “Health” (on the right) with either Health, CTE Health, Nutrition & Wellness, Human Survival, Anatomy/Physiology, or Preventive Medicine.
2. Next, fill in the other three boxes with any P.E. class.

STEP 8: Career and Technical Education

We have many courses you may use for your occupational credit. Look over your transcript for any code marked with CTE. Some art classes *may* also apply. Some CTE courses may meet dual credit requirements.

STEP 9: Arts: Fine, Performing and Visual

What counts as a Fine, Visual or Performing Arts credit? Classes with ART or MUS in the course code and (some) CTE course code classes. MEETS REQUIREMENTS:

Performing Arts	Visual Arts
<ul style="list-style-type: none">• Acting (1-8)• Band• Children’s Theater• Choir• Guitar• Orchestra• Theater Productions	<ul style="list-style-type: none">• 2-D Art• Visual Communications• Digital Photography• Web Design• Ceramics• Drawing• Graphic Design & Production• Jewelry• Painting• Woodworking 5-6• Fashion Apparel and Design• Interior Design• Living on your own• AP Studio Art

STEP 10: Double check your requirements (before filling in your electives)

If you have leftover classes on your transcript that you have NOT yet crossed out, you *may* be able to fill in empty, required boxes. For each empty box, check the Course Credit Table for cross credit opportunities or check with your counselor. If you find a class listed under cross credits that is 1) on your transcript and 2) not already used and crossed out, you may use it to fill in the box.

HIGH SCHOOL GRADUATION REQUIREMENTS “BOX PAGE” INSTRUCTIONS

STEP 11: Electives

If you still have courses on your transcript that you haven't used, you may put them all in the Elective boxes. Any class can be an elective once you've filled core requirements.

STEP 12: Double check your work.

1. Look at your transcript and find the number of credits you have earned. Multiple them by two (credits x 2).
Write the number here: _____
2. How many boxes have you filled in? _____
3. These numbers should match. If they don't, you have made a mistake and need to double check your work.

STEP 13: Enter your current schedule

Circle boxes for your currently scheduled or enrolled classes. We assume you will pass all your classes.

STEP 14: Boxes still empty or uncircled?

You need to take these classes to graduate! Now fill in your course selections on your Four-Year Plan.

Steps to Register for Classes on Family Access

1. Go to Auburn Mountainview Website:

www.auburn.wednet.edu/amhs

2. Click on “**Family Access**” in the upper right corner.
3. Log in with your **STUDENT ID** and **PASSWORD** (this will not work from a parent account).
4. Click on the “**Arena Scheduling**” tab on the left side.
5. **Select your classes** by Period, by Subject, or by using the Search box in the lower right corner.
6. **Add or Remove classes** under the “**Option**” column.
7. Continue selecting classes until you have selected 6 classes for each Semester (periods 1-6). S1 indicates it is a Semester 1 class and S2 indicates it is a Semester 2 class. Credits should equal 6, but may show more if you have selected a 0 or 7th period class (Jazz Band, AP Computer Science, etc.). **You can preview your schedule by clicking “Selected Classes”.**
8. When you have added ALL of your classes, click on “**Submit Classes**”. A pop-up window will appear and then select “**Submit Schedule**”. Your Student Status should now show “**Waiting**”. Your schedule has been created. When you log out, your selections will be saved and you will not be able to go back and edit your classes. **Good luck!**

****Be sure to complete your Box Page prior to scheduling, so you are aware of the classes that you need to take to meet graduation requirements.****
