OTHER IMPORTANT INFORMATION:

- **Book Bags and Lockers** - Book bags are not to be taken to classes. If a student chooses to bring a book bag to school, it is to be kept in their locker. The primary reason for this is that they have become safety hazards, blocking aisles and paths of movement. In addition, book bags hinder organization and they offer increased opportunities for prohibited and disruptive items to be brought to class. All students are provided lockers for keeping their supplies. Teachers will assist students in organizing their materials and time so that they can be prepared for class without the use of a book bag. When purchasing your book bag please keep in mind that rolling back packs and oversized bags **do not** fit in our lockers.
- **Clothing Requirements for Physical Education** - Clothing that is worn to school **may not** be worn in P.E. (except socks and tennis shoes). Acceptable clothing for P.E. includes: T-shirts, shorts, sweats, and socks.
 - * *Gym bags and book bags are not allowed in the locker room.*
 - * *Students may carry PE clothes in a plastic bag.*
- **Athletic Physicals.** Athletic physicals will be good for **two consecutive** years. If you are an incoming 6th grader, you **must** get a physical after July 1st to participate in Rainier athletics. (Available online on the

District Webpage under athletic information/athletics & activities). Anyone who is currently attending Rainier Middle School and has a physical on file from 2014-15, it will be good for one additional year.
