Registration Instructions:

Consider that the courses you choose will determine your classes for the entire first year in high school. Think carefully about your choices and write them clearly.

Remember to use **course codes and titles** in entering your requests. It is important to have *four alternative classes* listed with course codes and titles *in order* of which ones you would most likely want to have if you cannot get your 1st choices.

Also, please remember to sign this form and have a parent/guardian sign too. We will be keeping this registration form, so you might want to make a copy for yourself. Thank you!

Freshman year you will take the following courses and earn 6.0 credits:

- 1.0 credit in 9th grade Language Arts - Required
- 1.0 credit Math (Algebra, Geometry, or Adv. Algebra/Trig) - Required
- 1.0 credit Science (Next Generation Science or Biology) - Required
- 0.5 credit World Studies or AP Human Geography - Required
- 0.5 credit Orientation or AP Human Geography - Required
- 1.0 credit Your choice/Elective #1
- 1.0 credit Your choice/Elective #2
