

Terminal Park Elementary

1101 D St SE

Auburn, WA 98002

THE EXPRESS

Terminal Park families,

We hope everyone has been enjoying the warm weather as we head into the final few weeks of the school year. The following information is intended to help you be more aware of what is happening at our school and better able to partner with us.

School Picnic

Visitors are invited to our school picnic to eat lunch outside with students. The picnic is on Friday, June 9th during our normal lunchtimes:

11:40-12:10	Grades K and 2
12:10-12:40	Grades 1 and 3
12:40-1:10	Grades 4 and 5

The lunch will include a hamburger and other items. Guests, adults and visitors, may purchase lunch for \$3.75. (The price for Terminal Park students is \$2.75, as usual.) We hope you can join us!

PTA

We are still looking for PTA officers for the 2016-2017 school year. If you're interested, please attend the PTA general membership meeting on Thursday, June 1st at 4:00 p.m. in the Terminal Park library or email terminalparkpta@gmail.com.

Lost and Found

Any items that are left in the lost and found at the end of the school year will be donated. Please remind your child to look in the lost and found if he or she is missing anything. Parents are welcome and encouraged to stop by the school and look in the lost and found to see if you can find anything that your child has lost.

Kindergarten Registration

If you have a child who will be in kindergarten next year, we encourage you to register as soon as possible. If you register at our school and then move, you can change your registration to your new school. Please communicate this information to anyone else you know that will have a kindergartener next year.

Class Placements

As the school year ends, you will likely be wondering about who your child's teacher will be next year. We will finalize class placements in August after most of the summer moving takes place to ensure that classes are balanced. An exact date for posting class lists, which is usually the Friday afternoon before Labor Day, will be communicated to you in a welcome back letter in August.

Summer

We encourage you to be thoughtful about learning opportunities for your child over the summer. Daily reading is especially important. Activities that use numbers and math skills as well as experiences that help develop new vocabulary are a couple ideas among many other helpful options. You are encouraged to visit the local public library to ask about opportunities they provide for children.

We appreciate all you do to support your child's learning and hope you have enjoyed the 2016-2017 school year! It's hard to believe how fast it has gone by. Help us make the final month excellent by encouraging your child to give best effort at school all the way through the last day. Please contact us if you have any questions or feedback.

Sincerely,

Tom Dudley, Principal
