  - 1 comfort kit
- \$5 for Scholastic News weekly magazine**

### **COMFORT KIT**

In the event of an emergency (such as earthquake, snowstorm, or windstorm) the school will be prepared to care for your child for up to three days. It will be reassuring for your child to have personal items from home if the need to use "comfort kits" should arise.

Please use a one-gallon, zip-loc style bag as a container for your child's "comfort kit." Use a permanent marker to put your child's name on the zip-loc bag. Suggested items for the kits are:

- |                              |  |
|------------------------------|--|
| juice (2 cans)               | pen or pencil                          |
| another non-perishable snack | photo of family                        |
| scratch pad                  | <u>very tiny toy for entertainment</u> |

Comfort kits are sent home at the end of the school year so you can replace perishable items during summer break and return the kit when school resumes in September.
