### Safety Rules

This is a great time of year to review safety rules with your children. Ask them what the eight never never rules are that we learned in class. Also review other rules that you have in your home and neighborhood.

If you would like more resources or support for your student take a look at the counseling website or you can contact Mrs. Watson:

## It's time to Enroll in Kindergarten

If your child is going to turn 5 by Aug 31, 2022 it's time to enroll them in Kindergarten. You may register [online](#) or visit your neighborhood school. For more information, visit our [Welcome to Kindergarten website](#). Tell your friends, family and neighbors! We are going to have a Kindergarten Orientation on April 27th from 4:30-5:30 in the Gildo Rey gym.

## A Message From Principal Holloman

As we near the end of the school year I think more about the well being of our students when they are not in school. Summer is a great time to recreate, spend more time with family and friends, and enjoy activities. I want every Gildo Rey Hawk to have a strong and safe end to the 2021-2022 school year.

Our students have a lot of learning to do finishing up this school year. Attendance matters. School is in session until June 23. Please remember on the last day students are dismissed at 10:45am.

Kindergarten Graduation will be on June 21 from 5-6pm and Fifth Grade Promotion will be on June 22 from 10-11:15am. We look forward to celebrating our students as we finish this school year. Go Hawks!

## A message from Assistant Principal Palmer

Hello families. Thank you for your continued support and sharing your students with us. We are finishing strong at Gildo Rey and are looking forward to recognition ceremonies, 5th grade promotion, Field Days, and Kindergarten graduation. Thank you to those of you who have signed up to volunteer, we are excited to have you on campus.

A couple of housekeeping items in regards to school safety. Our courtyard is open only to staff, students, and authorized visitors who have been approved. Now that we have opened gates up for dismissal off of M st and by the mobile home courts we are noticing families trying to cut through either the courtyard or in the area where we have students waiting for car pick up.

In order to keep your students safe, we need to have that distance to easily manage where students are. If you walk from one of the back gates we are asking that you exit on the East side of the campus around the office by the bus loop and primary classes. Also, please wait in line for car pick up and do not cut in front of other families when exiting. The process of waiting in line makes everyone exit more quickly and models patience and consideration for our students.

Summer school will run from August 2-18th (Tuesday-Thursday) from 8:30am-12:30pm. Free breakfast and lunch are available and parents will be responsible for transportation of their child. Summer school is by invite only. Remember the local libraries have great books to check out for your students over the summer. Reading with your student daily is proven to give them an advantage in school. Thanks for your support and helping our hawks SOAR!!
