## Counselor's Corner

with Mrs. Watson

### Anti-Bullying Awareness

Bullying is not allowed at Gildo Rey! Bullying is something that is unfair, one-sided, done on purpose and repeated. Bullying also includes cyber bullying.

Please remind your students about the 3 R's of bullying.

**Recognize** - is it bullying?

**Report** bullying to an adult

**Refuse** to be bullied and stand up for others

And always be a helpful  
BYSTANDER!

### Holiday Support

If your family is needing support or resources this Holiday Season please contact Mrs. Watson by 11/6/2020

Please download the Remind app to your phone. What is Remind? It is a communication platform that helps educators reach students and parents easily. Messages are sent to an entire class, a small group, or just a single person. It also has more than 90 languages to help families communicate with their teachers and school. Remind is also designed to protect the safety and security of users and their personal information.

## Good Things

A Message From Principal Holloman

Gildo Rey Families,

Thank you for your continued partnership as we support our students through distance learning. Please keep an eye out and respond to ASD surveys. Your input is valued and helps us make decisions for planning our school programs and schedules.

It was great to see families at our Open House and we encourage you to connect with your student's teacher in November during parent conferences. Conferences are November 18-20. You will be contacted by the school for your conference schedule time.

Stay safe and healthy. See you soon. Go Hawks!

Lenny Holloman, Principal

## Attendance Matters

Attending school has a huge impact on student success. Student participation in Google Meets is essential for student learning in the distance learning model. Our goal continues this year, that every student misses no more than 9 days of school, or 1 day a month. We need your help.

Some Attendance Tips to Promote Student Learning:

- Make sure your students keep a regular bedtime and establish a morning routine so they are rested and alert when they log into their morning meeting.
- Turn off all electronics including TVs, phones and tablets at bedtime.
- Make sure clothes, Chromebook, and school supplies are ready the night before.
- Avoid scheduling vacations or doctor's appointments when school is in session.
- Talk to teachers and counselors for advice if your student feels anxious about attending school.

Please let us know how we can best support you and your student(s), so that they can show up for school on time every day.

Sincerely,

Gelinda Williams, Assistant Principal

November, 2020
