## Counselor's Corner

with Mrs. Watson

Welcome Back Gildo Rey Hawks! I am so glad I have gotten to see so many of your faces in your google meets. I know the beginning of the year can bring many unknowns and some anxiety or worries about the year, especially this year. These are normal feelings but if they get overwhelming - I am available to assist students when needed.

We are all in this together! Parents thank you for your help supporting our students and teachers. Help us to set your students up for success!!! We see some students are not always fully ready to learn for morning class time. Check out these tips for helping your student to be ready for success each day!

Also check out the counseling website for some fun mindfulness activities and other social emotional resources that can be helpful for you and your family!

Virtual learning is new to us all and can be stressful. Remember it is ok to not be ok, please reach out for help if you need it. There are numerous resources and supports on the counseling website or you can contact Mrs. Watson or our main office:

YMCA Children's Crisis  
Response: 206-461-3222

## Good Things

A Message From Principal Holloman

Welcome new families and returning Gildo Rey Hawks! We are excited to have started the school year. The start of this school year has been one like no other.

The theme has been one of flexibility without compromising excellence. Teachers have been working hard to provide engaging lessons and learning assignments virtually. I have joined many Google Meet classes and it warms my heart to see our students ready and eager to learn.

As the school year gets into gear please keep connected to the latest events and changes. We do daily morning announcements for students which are posted to our Facebook page. Check them out. Remind is also a great tool to get instant notifications from your child's teacher and from our office.

As always, if you have any questions please call our office at (253) 931-4952.

Please download the Remind app to your phone. What is Remind? It is a communication platform that helps educators reach students and parents easily. Messages are sent to an entire class, a small group, or just a single person. It also has more than 90 languages to help families communicate with their teachers and school. Remind is also designed to protect the safety and security of users and their personal information.

## Important Notes:

### Attendance

Attendance is taken daily at Gildo Rey. Teachers will be taking attendance at the start of every school day and calls will be placed if your student is not present. If for any reason your student cannot participate in class, please call our office to excuse the absence.

### School Meals

ASD will continue providing free meals to all children 1-18 through the end of the calendar year. Beginning in January, students will need to qualify for free and reduced-price meals. Please apply now and do not delay as there will be no grace period. For complete information from ASD please click [here](#).

### Technology Support

Technology support is currently available in person or via phone through the Gildo Rey office. Office hours are 7:30 AM to 4:00 PM Monday through Friday.

### Securly

Have you signed up for Securly? Securly is a service to help ensure student safety while using technology. Please click [here](#) to see more information about Securly and how to sign up.
