Please download the Remind app to your phone. What is Remind? It is a communication platform that helps educators reach students and parents easily. Messages are sent to an entire class, a small group, or just a single person. It also has more than 90 languages to help families communicate with their teachers and school. Remind is also designed to protect the safety and security of users and their personal information.

Good Things

A Message From Principal Ziegler

Fall is here, and with it comes the opportunity to reflect upon the great things that we have done, and dream of the opportunities that lay ahead. This year, we believe that Gildo Rey exists as our "Field of Dreams" and have been asking ourselves "What does it take to remain a winning team?" Here are some of the things that we have discovered: Winning teams don't just dream, they believe! For they know that all things are possible with hard work and collaboration. Because of this, winning teams communicate openly and honestly, they show up ready to compete every day. They celebrate their success and the success of others. They learn from their mistakes and encourage others to do the same. Winning teams set lofty goals and are constantly evaluating where they are in relation to those goals, then adjust their practice in those areas where they fell short. Each individual works hard to improve themselves, knowing that when they are at the top of their game, all others will benefit. Maya Angelo puts it this way: "I've learned that you shouldn't go through life with a catcher's mitt on both hands; you need to be able to throw something back" (2000). While each one of us is unique in our giftings and abilities, we can only be successful when we allow our gifts to be shared with those around us. By working together we become stronger, wiser, better. Please know that you are an important part of this team. We value you and the gifts that you bring. Let's work together to make Gildo Rey Great. Go Hawks!
Mr. Z.

Hola from Mrs. Palmer, Assistant Principal

Dear Gildo Rey Students and Families,

Thank you for your ongoing partnership. We know it takes a village to make Hawks SOAR! Thank you for your flexibility at dismissal and waiting in line for car pick up. Our procedures are for the greater good and to keep all of our students safe. Your modeling of respect and patience is a great example! Attendance is of the utmost importance. We appreciate you getting your students here. We have a lot to gain back from Covid and every day counts. Typically students who miss 10% can be a year behind. We want your kiddos to have any opportunity they want in life and to not feel lost or left out.

We are excited to start having more volunteers in school again and will be starting our Hawk Eyes program in November. This is where community members will be helping on our playground and with arrival/dismissal. If you are interested in volunteering please go to the Auburn School District Website.

Sincerely,

Heidi Palmer

October/November, 2022
