Dear Chris:

Thank you for serving as coordinator for your recent blood drive on May 16 and 17, located at Auburn Riverside High School. During this drive, there were 291 participants. Your efforts and the contributions of your donors are greatly appreciated.

For over 60 years, Cascade Regional Blood Services has been the exclusive provider of blood products and services to patients at hospitals in South King and Pierce County. Your donations directly support MultiCare Health System and Franciscan Health System hospitals and clinics.

Blood drives furnish over 50% of our community's supply. CRBS relies on community sponsored blood drives, like yours, to help us fulfill our mission to provide the blood products needed. Thank you again for the support you and your donors provide. Blood donors truly do save lives.

Sincerely,

Dan Schmitt  
Director of Donor Resources

cc: David Halford, Principal
