Auburn, WA 98092

Dear Chris:

Thank you for serving as coordinator for your recent blood drive on Tuesday and Wednesday, May 29 and 30. During this drive, there were 245 participants. Your efforts and the contributions of your donors have made a tremendous impact on our community's blood supply.

I wanted to mention that your students did a great job organizing, promoting and providing support on the day of the drive. It's nice to see that providing such great support can also be fun and valuable for the students in so many other ways. You, your students, staff and administrators have done an excellent job of providing a first class blood drive experience for all.

For over 65 years, Cascade Regional Blood Services has been the exclusive provider of blood products and services to patients at hospitals in South King and Pierce County. Your donations directly support MultiCare Health System and Franciscan Health System hospitals and clinics.

Thank you again for a great year and for the support you and your donors provide. I hope you have a great summer. We are looking forward to the 2012-13 year with ARHS.

Blood donors truly do save lives.

Sincerely,

Dan Schmitt  
Director of Donor Resources
