### Important Health Information

#### Parents/Care Givers:

Please make sure you keep your kids home and call the office if they have any of these Covid-19 symptoms:

- Shortness of breath or difficulty breathing
- Muscle or body aches
- New loss of taste or smell
- Cough (new, changed, or worsening)

Students should also stay home if they have any of the symptoms listed below. If they have only one symptom, they have not been in close contact with someone with Covid, they’ve had no fever for 24 hours (without taking medication), no additional symptoms develop, and symptoms have improved dramatically they can come back to school:

- Congestion or runny nose

## Who Is Ready for Computer Club?!

Computer Club at Lakeland Hills will start on October 25th. Signups for the first two weeks are available using [this link](#). 1st and 2nd grade will be starting with Code.org. 3rd - 5th grade will be starting with Scratch. By signing up you will also be added to my email list if you are not already. If you are not signing up but would still like to be added to my email list for updates and news about the club, then shoot me an email at [wadams@auburn.wednet.edu](mailto:wadams@auburn.wednet.edu).

## For SAFETY!

If you need to park your car to drop off or pick up your children please use the **GYM** parking lot. We cannot have kids walking across the front parking lot (staff lot) for safety reasons. When parking in the gym lot PLEASE use the cross walk to get across the parking lot. Multiple people have almost been hit by cars and buses coming and going through that lot. We want to ensure everyone stays safe. Using the crosswalk may take an extra minute, but it's worth it to keep our community safe.

*Thank you for your help and support with this!*

## Attendance Matters!

**The week of Oct. 4 - Oct. 8, 2021 we had a 87.08% attendance rate school-wide.**

**The class with the highest participation rate for Oct. 4—Oct. 8 is: Davis' Fourth Grade Class!! Way to Go!**
