Bell Schedule Changes for 19-20

To better serve the students and families of the Auburn School District, the bell schedules for most schools will be slightly adjusted for the 19-20 school year.

The new bell schedule will:

- Increase safety because drivers have an appropriate amount of time to meet their route's schedule.
- Accommodate the new elementary schools.
- Increase availability of drivers for field trips, extra-curricular activities and extended day programs for students.
- Align middle schools to the same start and end times.

Visit [new bell schedule](#) to see the details.
