**About KidsDay:** KidsDay is a one-day community-wide special event specifically designed for elementary and middle school children. The fun-filled day is a showcase of the Auburn community and features inflatable rides, live entertainment, face painting, arts and crafts, miniature golf, and much more. Our Parks, Arts & Recreation Department partners with local nonprofit agencies, community youth recreation organizations and the business community that serve youth to provide information and outreach related to services and activities in Auburn. Our community is very supportive of KidsDay as a way to acknowledge our youth. Since its inception in 1985, it has developed into one of Auburn's signature events.
