ONLINE LEARNING ATTENDANCE:

Due to the accelerated nature of summer school courses, it is required that students be online, in class, every day and on time. Students are expected to work on coursework for the entire length of the class hours each day. Summer jobs and activities need to be planned outside of summer school hours and days.

TESTS & ASSESSMENTS: To ensure integrity in our program, assessments can only be taken through online summer school as arranged by the summer school teacher.

SUMMER SCHOOL EXPECTATIONS:

- All AMHS discipline and other policies apply during summer school. (please see AMHS Student Handbook)
- If integrity (plagiarism, cheating, sharing work between students) becomes an issue at any point during the course privileges to be in the summer school program may be revoked.

I have read the expectations above and understand what is expected of me at summer school. I understand that my summer school teacher will have additional classroom expectations that I am also expected to follow. I have also reviewed the Compact and Student Learning Plan on the next two pages.

School-Student-Parent Compact and Student Learning Plan

“Working together to meet graduation requirements”

Parent:

I will ask my child each day about their progress in summer school.
I will expect my child to participate in summer school every day, to be on time, and to participate in class activities.
I will read and complete the summer school registration form, compact, and student learning plan.

See staff Parent/Student “Signature” Communication Notes (online school this year)

Signature of Parent or Guardian

Student:

I will participate in class, including attending **every** day and being on time every day.
I will work diligently on my assignments in my summer school class.
I will complete assessments in a timely fashion.
