Greetings Lea Hill Parents,

Ms. Daniels and I are so proud of you and your kids for this momentous change to the hybrid schedule! We've now (safely) had our K-2 little ones in hybrid for three weeks! The primary learners have magnificently led the way for our school into this new hybrid world. We could not be more proud of them or their teachers. Our 3-5 students and staff have now been in hybrid for a little over a week and they are rocking it as well. It's hard to believe how much students have been growing in the past year! It is such a good feeling to see kids and teachers in classrooms again. It's been too long. Each day we see students and staff wearing their masks and staying a safe distance apart. As we drop into our afternoon online classes we see these students continuing to work hard by turning their cameras on and participating with their class. We continue to look forward to the day when all students and staff can return to Lea Hill.

We have a few reminders for you as we head into April:

- For our hybrid families, please remember to do your daily Skyward Wellness Check before school. We recommend no later than 7:30 a.m. to allow your check to show up on our teachers' computers.
- Thank you for your patience in our little parking lot at drop-off and pick-up. Please remain in your vehicle unless you are parking in a designated spot. Our hybrid students now know exactly where to go and we have many Lea Hill adults out supervising so they are safe. Please pull over to the curb, send them off to class, and drive away safely to allow other parents to drop off. We also ask that you do not drop students off any earlier than 8:05 a.m.

Sincerely,

Ed Herda, Principal

Treena Daniels, Assistant Principal
