Greetings Lea Hill Parents,

Happy New Year and welcome back to school!

Ms. Daniels and I hope that you and your family were safe during the holiday break. We also hope that you had some time to rest and be with your family. 2021 is here and with it comes talk of hybrid learning in Auburn and surrounding districts!

We could not be more excited to have some students back in the building! We realize that some of you may choose to continue with distance learning and that's fine. We support whatever is best for your family. At this point, we do not have any specifics. We can say that we are confident that hybrid will be a half-day format, Tuesday – Friday and we're confident we can keep students and staff safe. We have the best students and staff in Auburn, we're a family, and we care about each other very much. Safety has been and shall remain priority number one for Lea Hill. As always, we will focus on relationships and high-quality learning for our kiddos, in hybrid or online. We'd like to remind you that you can always contact us to set up a virtual meeting so that we can listen and answer questions.

At Lea Hill, we are going to make hybrid learning work and work well for our kids and teachers! Thank you in advance for your support. Please watch for hybrid updates as they come out from the district or our office.

Also, remember to drive by Elementary #16 sometime soon if you haven't already. Our home away from home for 2021-22 is going up fast and it's big!

Take care,

Ed Herda, Principal

Treana Daniels, Assistant Principal

ATTENDANCE MATTERS!

Remember to call or email the school if your child will be absent due to illness or an appointment. All absences are considered unexcused until we hear directly from the parent. The expectation is that children are in school all day, every day (barring legitimate reasons for absences) to get the maximum benefit of their educational opportunities. We understand that change can be difficult for everyone, but we are here to assist you as best we can. If you are experiencing technology issues, we have staff available at the school on Tuesdays and Thursdays from 3-4 p.m. to assist with those needs. Thank you for your special attention to your child's school attendance. Working together, we can promote continued success!
