

Lea Hill Elementary- School-wide Title I Program

Parent & Family Engagement Policy

2023-2024

Lea Hill Elementary and the school-wide Title 1 Program believe that children have successful educational experiences when parents and teachers work together to assist and support children in their academic endeavors. The following are ways that Title 1 works in partnership with families to promote the educational success of all Lea Hill Students:

Communication/School Climate: Communication is a key element in building a strong home/school partnership. All students at Lea Hill Elementary benefit from our school-wide Title 1 reading and math support. Title 1 allows for smaller group size during small group time or What I Need Group time for all grade levels. In the fall, this letter is sent to parents of all Lea Hill students as part of the compact between school, parents, and students. We are asking parents, students and teachers to commit to specific ways they will support the academic success of each child throughout the school year. For some students, Student Learning Plans will be developed, then shared to be signed by parents. The Lea Hill staff and Title 1 team will continue to communicate with you about your child's progress using phone calls, e-mails, and progress reports. In addition, the Title 1 team is available at Open House and at Parent-Teacher Conferences to help facilitate home/school communication.

Learning at Home: The Title 1 program encourages students to practice their skills at home alone and/or with the help of their adults. Students should read at home, and talk about math and numbers on a regular basis. Teachers can support with homework that supports reading and math if needed.

Engagement in Schools: Parent engagement and involvement is fostered and highly encouraged at Lea Hill. There are many ways to be involved at Lea Hill. Please contact our Lea Hill office if you would like to join our PTA or if you would like to volunteer on campus.

The Lea Hill Elementary School-wide Title 1 program has an open-door policy. Parents are welcome to come and observe their children during small group instruction for all grades. To help grow parent engagement at our school, the Learning Support Center is open for visitation during Open House and parent/teacher conference week. Feel free to stop by and see first-hand what kinds of things your children are learning at school and how you can support this learning at home.

Parent Input: The relationship between home and school is of the utmost importance. We value your input and suggestions to help us improve. We ask that you review and sign the Parent/Student/School Compact (either during conferences or when sent home with your child) and return it to your child's teacher as soon as possible. We are committed to an effective partnership between school and families. **We ask for your comments and suggestions that help us improve the Compact as well as this Parent & Family Engagement policy to reflect our school-home partnership.** You will also be invited to share your feedback about the program in a parent survey at the end of the year. At any time, you can reach the Title 1 program by calling the office at Lea Hill at (253) 931-4982 and request the Title 1 specialist.

Thank you for partnering with us on the education of your child!
