Hello Lea Hill Parents!

The month of May is here! Can you believe it? As we approach the final 8 weeks of school here are some reminders and events to look forward to

- Please encourage your students to join their specialist teacher in their online class. Our teachers in PE, Music, Library, Technology, and Art are reporting extremely low attendance. These specialist teachers work so hard to provide fun and engaging lessons for our students. This is important learning none of us want them to miss out on. Your child's teacher can help you with the day, time, and link to help you ensure your child is participating in these classes.
- If you have a young one starting kindergarten next year (must turn five years old by August 31st) please stop by our office to register them for the 2021-22 school year at Elementary #16!
- Construction "pre-staging" for the new Lea Hill will begin on-site starting May 3rd. Until school gets out on June 24th the contractors will focus on the woods area on the backside of our campus. Student safety remains our number one priority, as well as parent access to campus, so if you see anything that concerns you don't hesitate to speak to me or Ms. Daniels. During these year long construction projects there is no telling what might come up that will slow down progress. Starting in May increases our opportunity to move-in on-time in August of 2022.
- If you have a teacher preference for next year please e-mail me or Ms. Daniels as we will soon begin the process of working with our teachers on initial class lists for next year. Ms. Daniels and I promise to consider all email requests received in a timely manner, but as per our policy, we never guarantee placements.
- Lea Hill will be hosting a blood drive on Monday May 10th from 9:00 to 2:00 (possibly longer depending on attendance). Please see the attached flyer for more information on how to set up an appointment if you wish to donate. We are looking forward to making this a new tradition at Lea Hill!
- Finally, our amazing PTA will be hosting a spring book fair. Look for this information to come out soon! If the timing works they are hoping to distribute yearbooks on the same day so stay tuned!

Sincerely,
Ed Herda, Principal
Treena Daniels, Assistant Principal

KINDERGARTEN REGISTRATION

Kindergarten registration for the 2021-2022 school year is happening now and continues through June. If your child will be 5 years of age on or before August 31, 2021, he/she qualifies for enrollment. When you enroll your child, please have all the necessary paperwork ready (immunizations complete, legal birth certificate, and proof of residency). You can enroll online through the Auburn School District website or come to the school office for a paper registration packet from 8:00-3:00 p.m. Monday through Friday.
