Chromebook Reminder

We have seen an increasing number of Chromebooks returned to us with damage or broken screens. We recognize that normal wear and tear will occur with students using them every day. We ask that you please remind your children about proper care and safe handling of Chromebooks. We are always happy to replace Chromebooks that aren't working so that students may continue with their schoolwork, but want to remind you that as per ASD policy, fines will be assessed after the first occurrence. Please let us know if you have any questions.
