

Lea Hill Elementary

Home of the Mustangs!

March 2022

Greetings LH Parents,

I hope you had a fun mid-winter break with your family! Mrs. Madsen and I are so proud of our students and staff, they have been working hard and making progress! I'd like to ask a favor of you; please save the birthday/holiday/special occasion balloons for home as they are a distraction to learning in the classrooms. What's more, Transportation does not allow them on the buses. My recommendation is for you to contact your child's teacher well in advance if you would like to bring in treats, etc. We encourage the celebration of these important milestones and thank you for your cooperation. This LH rule will go into effect starting February 28th.

Thanks, Mr. Herda

*COVID-19 Safety Reminders:

Masks are still required on Lea Hill grounds until March 12th. On Tuesday, March 15th, mask will become optional for all students and staff. It is important to have a conversation with your child that they may see students and staff with or without masks starting on March 15th. It is a personal preference as we move into this next phase of the pandemic. We need to respect everyone and their choices.

We are still following covid protocols when a student is sick. Please remember the following guidelines:

- Sick children- If your child has any of the following symptoms, they should stay home for the safety of our student body: Fever, chills, cough, loss of taste and/or smell, hard to breath, headache, body aches, runny nose, sniffles, congestion, sore throat, nausea/vomiting, or diarrhea.
- If anyone in your household is being tested for covid, please keep your children at home until you have the results.
- If required, please provide your Covid test results to the office/health room before your child returns to school.

LOST & FOUND

The lost & found is getting full again. Please come check for lost items. Also, make sure to put your child's name in their coats!

It's time to order your yearbook!

It's a great time to remember the times! From the first time they crack it open to decades later when they read their friends' hand-written messages for the hundredth time – there's nothing in the world quite like a yearbook.
