

Lea Hill Elementary
Established 1965

Student Handbook

2019-2020

Our Mission

Lea Hill Elementary develops successful learners through engagement, equity, and compassion.

Our Vision

A culture of universal achievement takes place when the staff believes that each student is capable of meeting individual academic standards and that the school has the power to make that opportunity a reality.

Our Values

- *Accept no limits on the learning potential of any child.*
 - *Meet the individual learning needs of each child.*
 - *Create serious classroom learning environments.*
- *Treat students, parents, and colleagues with courtesy and respect.*
- *Hold students, parents and each other to the highest standards of performance.*
- *Collaborate regularly with colleagues to seek and implement effective strategies for helping each child to achieve his or her academic potential.*

Dear Lea Hill Families,

The following handbook is a descriptive guide of the Lea Hill student management system. Please read it carefully with your child. If you have any questions, comments, concerns, or ideas, feel free to contact us. This handbook is given to every student who enrolls at Lea Hill and is also available on our website. We look forward to serving you and your child, Go Mustangs!

Sincerely,

Ed Herda, Principal

Trenea Daniels, Assistant Principal

Lea Hill Elementary School Student Handbook 2019-2020

Positive Recognition at Lea Hill	3
P.R.I.D.E Traits and Names of Previous Recipients	4
Philosophy of Student Management	5
Research-Based Behavior Management Programs Practiced at Lea Hill	6
Lea Hill Recess Safety Rules	7
Lea Hill School Policies	8
Consequences for Inappropriate Choices	9
Lea Hill Student Dress Code	10
Compulsory Attendance Letter	11
You Can Prevent Truancy	12

Examples of Positive Recognition at Lea Hill:

A philosophy and program of recognizing and rewarding positive choices is an integral part of Lea Hill's student management plan.

- PRIDE tickets
- Academic recognition
- P.R.I.D.E. assemblies with special invitations for the parents
- PTA incentives such as Student of the Month lunch (pizza with the principal)
- Specific verbal praise given to students during the school day
- Individual classroom recognition programs and rewards
- Positive phone calls, e-mails, and postcards from staff
- Bonus recesses for special goals
- Attendance Recognition
- Auburn Noon Lions Club – Students of the Month (fifth grade)
- City of Auburn Kid's Day Salute
- No tardy trophy

Examples of Problem-Solving Strategies Taught and Practiced Regularly at Lea Hill:

Kelso's Choices (for small problems that students are expected to solve on their own)

- Talk it out
- Share and take turns
- Ignore it
- Walk away
- Tell them to stop
- Apologize
- Make a deal
- Wait and cool off
- Go to another game

Lea Hill Elementary School

P.R.I.D.E. Traits

- P** POSITIVE ATTITUDE: Always looks for the best in what goes on around them!
- R** RESPECTFUL: Polite and courteous to others; sensitive to other people's feelings; extends friendship to all.
- I** INTEGRITY: Always tries to do the right thing!
- D** DEPENDABILITY: We can count on you!
- E** EFFORT: Tries to do their best!

These former Lea Hill students have earned all five PRIDE letters!

Lea Hill Philosophy of Student Management

It is our belief that students can learn to identify behavioral options and make appropriate choices. Students learn when they are expected to assume responsibility for themselves and their choices. Both parents and the Lea Hill staff must work together to assist the student in learning these responsibilities. To ensure success in this partnership the following responsibilities are outlined:

Responsibilities of Lea Hill Staff

- Recognize a need for balance in the rights and needs of individual students and groups in the educational setting.
- Develop rules and procedures that protect student rights and encourage responsibilities.
- Identify, teach, and reinforce expected student behaviors and responsibilities.
- Encourage and assist students in recognizing and making positive choices regarding their behavior.
- Regularly and clearly communicate with the parent or guardian regarding student behavior.
- Work closely with the parent or guardian to assist the student in resolution of behavior problems.

Responsibilities of Lea Hill Parents

- Ensure the students' reasonable attendance (drop off and pick up on time please).
- Encourage a positive attitude toward the school, its programs and activities.
- Support and reinforce the school rules and expectations for student behavior.
- Communicate with the school staff regarding student behavior problems and possible contributing factors, solutions, etc.
- Read and review the Mustang Handbook with the student.
- Check student backpacks daily, review paperwork with your child.
- Monitor, encourage, and guide student homework, do not do it for them.

Research-Based Behavior Management Programs Practiced at Lea Hill

Second Step: Lea Hill implemented the *Second Step* program in 2013. The counselor and teachers work together to teach fun and interactive weekly *Second Step* lessons which focus on student success, socially and academically. Each grade level features developmentally appropriate ways to teach core social-emotional skills such as empathy, emotion management, self-regulation, executive function skills, Skills for Learning and problem solving. The *Second Step* program is RTI aligned on all tiers, and is based on the latest research on bullying prevention and academic achievement.

Reflections: Similar to an in-class timeout, the Reflections process allows the student to think back on their behavior choices and debrief with their teacher. The focus is non-punitive. Reflection sessions are designed to be a brief teachable moment. The emphasis is on a positive student-teacher relationship, social-skill building, reminders, etc.

Recharge: Recharge takes place during a portion of lunch recess. Our goal is not to keep a student inside during their entire lunch recess but rather to have them talk with our Behavior Intervention Specialist or School Counselor. Like Reflections in the classroom, we focus on social skill building and relationships.

Lea Hill Recess Safety Rules

1. Follow the Lea Hill school rules against bullying: we will not bully others, we will help students who are bullied, we will include others who are easily left out, and when we know somebody is being bullied, we will tell an adult.
2. Keep your hands to yourself at all times. No pushing, wrestling, tackling, play-fighting, etc.
3. Use appropriate words.
4. If a judge calls you out—don't argue, go to the back of the line to keep the game flowing. We don't argue with The Judge at Lea Hill.
5. Stay within the orange cone boundaries.
6. No jumping off the big toy, do not stand on slide or climb up the slide.
7. No tag games on or around big toy. Running only on grassy area.
8. Do not kick balls in the play shed or against the school building.
9. Jump ropes are to be used only for jumping.
10. When bell rings, line up immediately.

Lea Hill School Policies

To help ensure an environment that is safe and conducive to student learning, the following school policies are in effect at Lea Hill Elementary School -

Students bringing drugs, alcohol, tobacco, or weapons onto school property will receive appropriate consequences.

For student safety, all adults must sign in at the office and pick up a visitor's badge. To reduce disruptions to student learning, classroom visitations are allowed by prior arrangement only.

During the school day student cell phones must be turned off and kept in their backpacks.

Skateboards, in-line skates, roller shoes (heellies) are not allowed on campus.

Only third, fourth, or fifth grade students living within the safe-walking zone may ride bicycles to school. Primary students may ride bicycles only if escorted by a parent/guardian. Students must wear helmets and have locks for their bicycles. Students are only allowed to walk their bicycles on campus.

Absolutely no toys or selling or trading of student property (toys, cards, etc.).

Profane/vulgar language and/or gestures will result in appropriate consequences.

Animals may be brought to school with the permission of the teacher and Mr. Herda or Ms. Daniels. They are to be brought in by the parent/guardian and may be kept at school only for the duration of the sharing period.

For student safety, please do not bring pets on campus for student drop off or pickup. (Registered Service animals are OK.)

Only registered students will be allowed to attend Lea Hill. Guests may visit during lunch with the permission of the teacher and/or Mr. Herda or Ms. Daniels.

For their own safety students must not be dropped off before 8:35 a.m. or picked up later than 3:15 p.m. We do not have before or after school supervision available. In an emergency, please have a back-up plan with a friend or neighbor in place.

For the safety of all students, please walk your child through the parking lot when dropping off or picking them up at school. Use the "curb drop-off/pick-up area" if you are unable to park your car, however, never leaves your car when in this curb area, as this is designed to keep traffic moving. Do not park in the handicapped parking spot unless you have a valid pass! Never park in the bus zone and do not drop off children in the bus zone—it is not safe, this area is for buses only.

Consequences for Inappropriate Choices

At Lea Hill consequences are meant to assist students in learning appropriate choices and social skills. The vast majority of discipline situations are taken care of at the classroom level. It has always been our school's policy to begin with the least-restrictive intervention and move along a menu of choices until the student is able to change to a more positive behavior.

Possible consequences include, but are not limited to;

- Non-verbal cues, reminders, prompts, etc.
- Reflection time in the classroom
- Loss of recess
- Recharge (this is during the 30 minute recess)
- Loss of privileges such as field trips, assemblies, class celebrations, etc.
- After school detention (3:15 to 3:45) (Parents will be notified in advance.)
- In School Suspension (Assigned by the principal or assistant principal only; parents will be notified in advance.)
- Out of School Suspension (Assigned by the principal or assistant principal only; parents will be notified in advance.)

Lea Hill Student Dress Code

The following guidelines have been developed to help define appropriate attire at Lea Hill. These rules apply to all students at Lea Hill. Mr. Herda and Ms. Daniels reserve the authority to determine what is disruptive to student learning at Lea Hill. Please help us by ensuring that your child is appropriately dressed for learning. Thank-you for your support!

- Dress and/or appearance which constitute/present a clear danger to the student's health and/or safety, or which cause interference with work to create a classroom or school disruption/distraction, will not be permitted.
- No washable tattoos, using markers on the hands, face, etc.
- Makeup, cologne, body sprays, etc. are not allowed.
- Short shorts and cutoffs are not allowed. Shorts must be at least fingertip in length (as student is standing up straight) and hemmed.
- Tank tops (and tube tops) are permitted only if a shirt, blouse, or vest is worn under or over them.
- Bare-midriff clothing (such as a "crop top") is not permitted. T-shirts with sleeves cut off are not permitted.
- T-shirts, hats, badges, or other items of apparel which (by printed word or symbol) display or promote alcohol, drugs, tobacco, sex, nudity, violence, or gang behavior, or that disrupt student learning are prohibited
- Hats must be worn outside the building.
- Bandanas are not allowed.

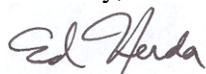

Compulsory Attendance Letter:

Washington State compulsory attendance law (RCW 28A.225) and Auburn School District policy require parents/guardians to ensure students between the ages of six (eight years of age if the student has not yet attended public schools) and seventeen attend school *every day that school is in session*. The following outlines procedures followed by the Auburn School District:

- **One unexcused absence during any month of the school year:** The school will inform you (and/or your student) of the unexcused absence (usually by telephone, but notification may also be in writing).
- **Two unexcused absences during any month of the school year:** A conference will be scheduled with you and your student to discuss the cause of the unexcused absences and find solutions to prevent further absences. The district considers student attendance a team effort. (If a regularly scheduled parent/teacher conference will occur within 30 days of the second unexcused absence, the district may schedule the required conference on that day.)
- **Five unexcused absences within a 30-day period:** The school must enter into a written truancy agreement/contract with the family, where the parent/guardian, student and school agree on the necessary steps to resolve the student's attendance problem.
- **Seven unexcused absences in a month or ten unexcused absences in a given school year:** Washington State statutes permit the following actions to be taken by a school district:
 - *The district and/or parent/guardian shall petition (Becca petition) the juvenile court to order the student to attend school.*
 - *If this court order is violated, the court will call for a Contempt Hearing. At that hearing, the court may impose sanctions on the student, which may include writing an essay, community service, work crew, electronic home monitoring and/or juvenile detention.*
 - *The court is also authorized to fine parent/guardian not more than \$25 for each day of unexcused absence from school.*

Legislative changes in the compulsory attendance law regulate the manner in which school districts work with parents/guardians regarding students' unexcused absences. The school district's general rules, procedures and regulations related to student attendance remain unchanged. Please feel free to contact me if you have questions.

Sincerely,

Ed Herda,
Principal

YOU CAN PREVENT TRUANCY!

Student safety and academic progress are important to parents and educators.
Here are some tips to prevent absences:

COMMUNICATE FREQUENTLY WITH YOUR STUDENT

- Talk about family expectations regarding school attendance
- Discuss family expectations for earning a high school diploma
- Praise positive behaviors and achievements in school.
- Look for attitudes from your youth that indicate unhappiness with school or fear of attending school. Listen to what they say and ask questions.

COMMUNICATE FREQUENTLY WITH YOUR SCHOOL

- Ask the school about their policy and procedures on excusing absences from school.
- Respond quickly when the school notifies you of an unexcused absence.
- Learn how you can check your student's attendance.
- Immediately address issues of concern about your student with the teacher and the counselor.
