King County Superior Court & The King County Prosecuting Attorney's Office have partnered with UTB to help reengage youth with their education who have an existing truancy petition, are at risk of a truancy petition, or high risk of juvenile justice involvement. The goal of the King County Education Reengagement Program is to address barriers impacting regular school attendance & engagement in an intentional and holistic way.

THINK. PLAN. FLY.

Think Plan Fly is an Unleash The Brilliance Slogan and Mindset that inspires students to consider making decisions that produce the best outcome. Think Plan Fly is designed to help students, from middle school through high school, tackle the challenges and stresses of growing up. Think Plan Fly challenges students to think about the consequences of their actions and prepare for takeoff so that they may fly instead of being grounded for life.
