

# Welcome, Auburn Families!

## Right At School Before and After School at Auburn Schools

Right At School is thrilled to be offering its nationally-recognized Before- and After-School Programs at select Auburn schools this fall. These programs will be hosted right at school every day that school is in session, from 6.30 AM until 6 PM.

Please review the following information and FAQs to learn more about the Right At School program.

### What is the program?

The Right At School program is based on the belief that **children learn best through play**. The enrichment program utilizes *Disguised Learning* methods through experiential two-week curriculum units, such as "Icky Experiments," "Page to Stage," and "Young Detectives." And we know students need to get out those after-school wiggles - we **incorporate physical movement into our day** at least twice - and we take it outside whenever possible. While we engage students from the moment the bell rings in enrichment, and focus on **homework completion**, students just know they're having **fun!**

### What is the cost?

We offer a variety of Before and After School options that is sure to meet the needs of every family! You can register for Before or After School separately, or take advantage of our Before/After School value package. We even offer 1-5 day/week pricing and the option to mix and match Before/After School schedules, as well as convenient daily drop-in options.
