

How do I get Family Access?

Login names and passwords are available through each school office. Alternatively, if a parent/guardian has an email address already in our student information system, he/she can use the “Forgot your Login/Password?” option on the Skyward Family Access login screen to gain access to a Family Access login and password via email.

The screenshot shows the Skyward login interface for Auburn School District. It includes fields for 'Login ID:' and 'Password:', a 'Sign In' button, and a link for 'Forgot your Login/Password?'. A red arrow points to the 'Forgot your Login/Password?' link. At the bottom, there is a 'Login Area' dropdown menu set to 'Family/Student Access' and a timestamp '05.15.06.00.11'.

How do I log onto Family Access?

On the Auburn School District main URL/web site <http://www.auburn.wednet.edu> there is a link to Family Access – see the upper right corner of the screen. This same link is also available on each school’s web site.

The screenshot shows the top navigation bar of the Auburn School District website. It includes dropdown menus for 'Elementary Schools' and 'Secondary Schools', a 'Sign In' button, and a search box.
