

Education and Training Career Pathway

Education Planning Guide for Middle School and Beyond

This Career Pathway, along with other career planning materials, serves as a guide to assist students in the Auburn School District in developing a relevant middle-to-high school plan that will prepare them for further education and/or employment in the **Family & Consumer Science Career Cluster**. The career pathway outlined below can be individualized to meet each learner's education and career goals. It allows students to earn high school credits while completing coursework in middle school, earn college credits while completing coursework within high school, and apply those credits toward attainment of a college certificate and/or degree. It is important to share and review this plan with a parent/guardian and school counselor.

EDUCATION LEVELS	GRADE	English/ Language Arts	Social Studies	Science	Math	Other Required Courses Other Electives Recommended Electives Learner Activities Leadership Activities			Career & Technical Courses And/or Degree Major Courses	Auburn School District Graduation Requirements	
Interest Inventory Administered and Plan of Study Initiated for all Learners

Education and Training Career Pathway

Education Planning Guide for Middle School and Beyond

The Education and Training program provides exploration and preparation for careers in education and service to children. Students will develop skills in communication, organization and leadership, as well as a solid understanding of learning theories and styles, teaching methods, child development, lesson planning, and classroom management techniques. Students apply their knowledge and skills through off-campus internships as one-on-one tutors or classroom assistants in local elementary and junior high schools.

Student Leadership Development

FCCLA (Family, Career and Community Leaders of America) is a national student organization that helps young men and women become leaders and address important personal, family, work and societal issues through family and consumer science education.

For additional leadership opportunities at your high school, please talk with a Career and Technical Education teacher.

Scholarship Opportunities

For local, state, and national scholarship opportunities, please visit your counseling and/or career center, Career Cruising www.CareerCruising.com, WOIS www.wois.org, thecareermap.org or Fast Web www.FastWeb.com.

For more information about this Career Pathway, contact an instructor, a school counselor or a career specialist.
