

Jewelry Manufacturing Career Pathway

Education Planning Guide for Middle School and Beyond

This Career Pathway, along with other career planning materials, serves as a guide to assist students in the Auburn School District in developing a relevant middle-to-high school plan that will prepare them for further education and/or employment in the **Skilled and Technical Sciences Career Cluster**. The career pathway outlined below can be individualized to meet each learner's education and career goals. It allows students to earn high school credits while completing coursework in middle school, earn college credits while completing coursework within high school, and apply those credits toward attainment of a college certificate and/or degree. It is important to share and review this plan with a parent/guardian and school counselor.

EDUCATION LEVELS	GRADE	English/ Language Arts	Social Studies	Science	Math	Other Required Courses Other Electives Recommended Electives Learner Activities Leadership Activities	Career & Technical Courses And/or Degree Major Courses	Auburn School District Graduation Requirements		
								Credit Requirements (24.0 credits total):		
<i>Interest Inventory Administered and Plan of Study Initiated for all Learners</i>										
MS	8	Successfully complete required coursework for 6th, 7th and 8th grade, and these electives →				Art Survey, STEM Mechatronics				
	SECONDARY	9	Language Arts	(.5) World Studies or AP Human Geography	Science (1.0) Next Gen or Biology	Algebra I	(2.0) Credit from Fine Arts or Course Equivalencies (1.5) Credits From Fitness Courses	Orientation or Career Choices	Drawing 1, 2	
		10	Language Arts	Global Issues (.5) or AP Euro	Science (1.0) Next Gen or Chemistry	Geometry		(.5) 10th Grade Health	Minimum of two years of the same world language are required for students planning to enroll at a four-year university	Jewelry/Small Metal Sculpture 1, 2**
		11	American Literature 1, 2	U. S. History or AP U. S. History	Chemistry	Advanced Algebra and Trig		(2.0) Credit from Fine Arts or Course Equivalencies (1.5) Credits From Fitness Courses	Minimum of two years of the same world language are required for students planning to enroll at a four-year university	Jewelry/Small Metal Sculpture 3, 4**
		College Placement Assessments-Academic/Career Advisement Provided								(2.0) Credit from Fine Arts or Course Equivalencies (1.5) Credits From Fitness Courses
12	Senior English Electives	Civics (.5) and Elective (.5) or AP American Government (1.0)	Physics or AP Biology or AP Chemistry	AP Statistics or Pre-Calculus

Jewelry Manufacturing Career Pathway

Education Planning Guide for Middle School and Beyond

Jewelry Manufacturing students learn skills used in the jewelry industry such as sawing, filing, polishing, coloring of metal, forming and soldering. Students will also learn how to form a wax model to be cast into metal. As advanced students, they practice metals fabrication, stone setting and casting. In this program students will make rings, necklaces and a variety of jewelry from metal and other materials.

Occupational Information

The following represent occupations within this field and their average annual earnings and openings based on data from the Washington State Employment Security Department. For more information about these and other occupations within this field, go to <https://esd.wa.gov/labormarketinfo>
