

2021-22 Emergency Information & Inclement Weather Information

Dear ASD Families:

As the school year begins, we need to be prepared in the event of emergencies or challenging weather conditions. The Auburn School District communicates information about schedule changes and emergencies in a variety of ways. In the event of an emergency or school schedule change, the district will communicate via a phone notification system, e-mail, social media, FlashAlert and on our website www.auburn.wednet.edu.

In addition to these communication channels, local radio and TV stations listed below will broadcast information regarding the operation of school during snow/ice/emergency conditions. Broadcasts begin at 5:30 a.m. If the Auburn School District is NOT mentioned during the news broadcast, school will be open with buses operating on as normal a schedule as possible.

Most radio stations go through school announcements and updates every 15 minutes; the TV stations are every 30 minutes. Additionally, most TV stations run a continuous banner across the bottom of the screen showing school schedule changes.

Should an emergency occur during the school day, students may or may not be sent home. Depending on the situation, this decision will be made with input from the appropriate local emergency agency.

The district will provide information regarding these decisions through all of the above communication channels.

Home Emergency Plan

Each family should have a plan covering what to do when children arrive home early due to an emergency or weather-related situation.

- What is the best route home if your student cannot be delivered to the normal bus stop?
- Where would they go if you are not at home?
- Who would care for him or her until you arrived?
- Is there someone your student could call to receive help?

The announcements the stations will use are as follows:

“CLOSED” or “SCHOOLS CLOSED”

This means **NO** schools in the Auburn School District will be in session for that day **ONLY**. This also means there will be no **“Out-of-District”** transportation.

“LIMITED BUS TRANSPORTATION”

The list of roads not serviced and alternate stops are on the following page. Please note the alternate bus stop locations for roads not serviced.

If your regular bus stop is highlighted, that means your road will not be traveled and your student needs to go to the nearest alternate bus stop.

“ONE HOUR LATE”

Classes will begin one hour later than normal. Classes will dismiss at the normal time unless otherwise announced. When school begins one hour late, the following classes and/or programs will be affected:

- No out-of-district transportation
- Buses are on limited routes
- No AM ECE; No AM or PM 1/2 day ECEAP
- Full day ECEAP, 1 hour late
- No AM transportation for extended day ECE, 1 hour late
- Breakfast and lunch will be served

“TWO HOURS LATE”

Classes will dismiss at the normal time unless otherwise announced. When schools begin two hours late, the following classes and/or programs will be affected:

- No out-of-district transportation
- Buses are on limited routes
- No AM ECE; No AM or PM 1/2 day ECEAP
- Full day ECEAP 2 hours late
- No AM transportation for extended day ECE, 2 hours late
- No AM or PM Community Lab
- No breakfast, but lunches will be served

PLEASE NOTE

Buses will start their routes on schedule, but road and traffic conditions may impede progress so buses may be delayed as the morning continues. Please do not call the transportation department for school closure information.

Thank you for your assistance in helping all of our students enjoy a safe trip to and from school.

You can sign up for e-mail and text messaging alerts to school schedule changes at FlashAlert by visiting <http://flashalert.net/id/auburnsd>.

Mobile Alerts: FlashAlert can e-mail messages to your text-enabled cell phone or pager. Contact your carrier for more information on your phone's e-mail address.
