

Student Supply List 2020-2021

Alpac Elementary School

This is a basic supply list for each grade level. Individual teachers may ask students in their class to bring specific, additional items.

PLEASE, NO COLORED SCHOOL GLUE!

COMFORT KIT

In the event of an emergency (such as earthquake, snowstorm, or windstorm) the school will be prepared to care for your child for up to three days. It will be reassuring for your child to have personal items from home if the need to use "comfort kits" should arise.

Please use a one-gallon, zip-loc style bag as a container for your child's "comfort kit." Use a permanent marker to put your child's name on the zip-loc bag. Suggested items for the kits are:

- | | |
|--|--|
| emergency information (identification and a list of people authorized to pick your child up in your absence) | juice (2 cans) |
| granola bars (2) | another non-perishable snack |
| dried fruit (such as raisins) | scratch pad |
| hard candy (such as lifesavers) | pen or pencil |
| personal note from family | photo of family |
| tissues | <u>very tiny toy for entertainment</u> |
| small flashlight (or light stick) | |
| large trash bags (2-3, these have a variety of uses) | |

Comfort kits are sent home at the end of the school year so you can replace perishable items during summer break and return the kit when school resumes in September.
