OTHER IMPORTANT INFORMATION WHEN WE RETURN TO THE BUILDING:

- ✓ **Book Bags and Lockers** – Book bags are not to be taken to classes. If a student chooses to bring a book bag to school, it is to be kept in their locker. The primary reason for this is that they have become safety hazards, blocking aisles and paths of movement. In addition, book bags hinder organization, and they offer increased opportunities for prohibited and disruptive items to be brought to class. All students are provided lockers for keeping their supplies. Teachers will assist students in organizing their materials and time so that they can be prepared for class without the use of a book bag. When purchasing your book bag please keep in mind that rolling backpacks and oversized bags **do not** fit in our lockers.

- ✓ **Athletic Physicals.** Parents and athletes are required to fill out paperwork online for athletics. On back-to-school days, you will turn in a paper copy of your child's physical. The rest will need to be done online. There is a parent section and the athlete section that needs to be complete prior to turning out for athletics. Remember that your child's physical is good for two years. If your child is on their second year of their physical, the office will input the expiration date when they get back to school in August. **Please do not try to turn the physical portion in prior to back-to-school days.**
