All Grades

Backpack or Book Bag (recommended – not required): Suggested dimensions for backpacks or book bag: 14" Wide x 16" High. **Backpacks on rollers are not recommended; they do not fit in school lockers and are a hazard in the halls. *Reminder—Backpacks are not allowed in the halls during the school day.***

Books and Book Covers

Throughout the school year students are issued materials and books from teachers and other staff members. It is important that students and parents realize the importance of treating these items with care and ensure the items are returned to the teacher in the same condition at the end of the school year. The price for replacing library books or text books can range from \$5.00 to over \$72.00, depending on the book.

Book covers, especially the paper bag ones, work especially well to protect and prevent the bending of corners.
