

## Charge Policy 2019-2020

To support the education and academic success of all our students and to comply with the requirements of the Hunger-Free Students' Bill of Rights Act and the Washington Kids Ready to Learn Act of 2018, we will serve a meal to all students that request one. Students will accrue charges for these meals and parents will be responsible for these charges. We will communicate with parents when students owe money on their lunch account via weekly automated phone calls, e-mail, and notices sent home. Students must have money to purchase a second breakfast or lunch in the same meal period or to purchase ala carte items.
