

Trojan Booster Club

711 East Main Street
Auburn, WA. 98002

Dear Business Owner:

Auburn High School Booster Club is holding its Auction fundraiser on Saturday, November 19th, 2016 in the New Lindbloom Center at GRC. The auction is a fun evening for parents, high school staff, friends, and alumni to raise funds for our high school sports and activities.

You can support the evening by making a tax-deductible contribution to Auburn High School Booster Club. We are asking local businesses to donate goods or services for the silent and live auction. Any type of donation would be greatly appreciated. Your donations will be acknowledged throughout the evening as items are auctioned off.

Auburn High School Booster Club is a non-profit 501(c)(3) organization. The purpose of our organization is to support, promote, and foster interest in all Auburn High School academics, activities, arts, athletics, clubs and organizations. Many of the high school athletics, clubs, and activities will be participating in this fundraiser by collecting auction items and selling tickets to the event. Proceeds will help support the many participating groups as well as supporting scholarships for graduating seniors.

Your generous donations will help make this fundraiser a success, and you will be supporting youth at Auburn High School athletics and activities.

If you have any questions, or to purchase tickets to this event, please feel free to contact the Booster Club Committee at: auburnhighboosterclub@gmail.com or you can contact me directly at khenry@auburn.wednet.edu or 253-931-4888.

Please retain this letter and the donation receipt for your tax records. Thank you for supporting our high school. We appreciate your help!

Sincerely,

Auburn High School Booster Club
