Auburn Mountainview High School

Memorandum of Understanding Between Students and Parents Pertaining to Enrollment in Running Start

We, the student and parent, understand the following conditions to be true if we choose Running Start as an educational opportunity.

1. We understand that in order to be successful, the student must be self-motivated and self-directed, and that even so, most students experience a drop in their GPA.
2. Full-time Running Start students are eligible for up to 15 college credits per quarter; part-time student credits will be dependent upon the number of AMHS classes taken.
3. We understand that students seeking an AMHS diploma must meet all graduation requirements, including the 4-year portfolio program with a senior presentation in the spring. Students will not be allowed to go through commencement exercises unless they have met all AMHS graduation requirements at the time of Senior Check-Out.
4. We understand that students currently on a waiver from out of our boundary must take a minimum of 2 credits at AMHS to enroll in Running Start each year.
5. We understand that seniors must take a minimum of 5 classes at the high school OR 12 credits at the college OR a combination of both equaling full time school attendance the spring quarter/semester of their senior year in order to walk at Mountainview graduation in June.
6. We understand that all students are assigned a senior advisor at the beginning of their 12th grade year and Running Start students will be responsible to connect with their advisor to receive help.
7. We understand that students will be participating in Senior Portfolio/Presentations and are responsible for all materials required, due dates, meetings with advisor, and presentation deadlines.
8. We understand that part-time Running Start students will be responsible for checking on any changes to the AMHS bell schedule (assemblies, late start days, etc.).

It is through this Memorandum of Understanding that we, the student and parent, take full responsibility for the success of the student while attending Running Start.
